

Dear SIGCSA Member

Re: SIGCSA Annual Fundraiser
Thursday September 23, 2010
Green Hills Country Club, Mt. Vernon, IL.
Host Superintendent: Chris Ashby

Presidents Message:

Let's all look forward to sharing a meal and enjoying a day of golf and camaraderie at Green Hills Country Club on Thursday Sept. 23rd. Our host Chris Ashby has arranged with the staff at Green Hills C C for a great day of fun and competition. All members are encouraged to bring guests and enter a team for the golf fundraiser. If you cannot field a full team, single or partial team entries are welcomed. The committee will pair these players with others to fill out teams.

If members or guests cannot be available for golf but want to attend lunch or dinner, event passes are available at \$25.00 each. Guests are welcome.

This event is very important to the Association's goal to further Turfgrass Research and make available opportunities for students through the Scholarship Foundation. The Board thanks you for your generous support and we are looking forward to seeing everyone at Green Hills Country Club on the 23rd.

If you cannot attend The Fundraiser , but would like to make a donation to The Foundation in your name or your company's name it would be most graciously accepted. Receipts for tax purposes are available upon request.

Please file your entry in a timely manner so that the Green Hills Staff and The Committee can get an accurate accounting for the day's activities.

President
Dave Buschschulte

Vice President
Shannon Watson

Secretary/Treasurer
Mike Dougherty
